Cultural Grants Are Available

The Westborough Cultural Council requests applications from groups or individuals for grants. There are two available categories: applications to support Westborough events in the arts, sciences or humanities and applications for grants to support field trips.

Applications are now available at westboroughculturalcouncil.org. Prospective applicants should read and understand the local rules applicable to Westborough grants. Briefly, the rules require that the event be held in Westborough, that it be open to the public, and that it be handicapped accessible. If you meet the rules, you may complete the application and mail it to the Council at the above address, postmarked no later than 15 October.

Grants for field trips can be sought by Westborough school and community groups. An application for a field trip must be to benefit Westborough residents. Complete that application and mail it to the Council at the above address, postmarked by 15 October.

Activities of the Council are supported by the Mass. Cultural Council, the Town of Westborough, proceeds from Arts in Common, and contributions from sponsors and others. Current sponsors are AMICA Insurance, Emseal, Richard and Diane Irwin, Marlborough Savings Bank, Roche Brothers Supermarkets, Barbara Cantwell of Ameriprise Financial and Price Chopper Supermarkets.
